### REXAL DRUG STORE

100 PER CENT EFFICIENT IN ALL THINGS

No matter how proficient a physician may be and no matter how simple may be the case he is treating, unless his prescriptions are filled to an 100% success with that particular case is bound to be delayed. Wise people have learned that it is well to pick their druggist with the same care that they exercise in choosing their physician, their banker or their lawyer. In the Rexall Store the people of Clayton have an institution which is managed in this one department from the standpoint of giving 100 per cent efficiency in the filling of prescriptions. There is a registered graduate pharmacist in charge of the prescription department of this store at all times, and the citizens of Union County are rapidly learning that this institution is one in which absolute confidence can be placed.

Messrs. Wanser and Owens, proprietors of the Rexall Store, have been identified with Clayton business interest for about one year and have established the reputation of being citizens of the progressive, wide-awake type who believe in doing things. Mr. Owens is in active charge of the drug store. It is to such men as the proprietors of the Rexall Store that Clayton owes her present claim to prominence in the commercial and industrial life of New Mexico. They will be found at all times identified with every movement that works for the best interests and upbuilding of the city of Clayton and Union County.

The Rexall Store is located on the Main-streets in Clayton, in the heart of the business district and within easy access to the hotels, depot, post-office and the residence section of the city.

A stock of goods is carried which includes the famous Rexall line of remedies, toilet articles and sundries, as well as a full and complete line of all standard drugs and drug sundries. The interior of the store is kept neat and clean at all times, and the visitor is immediately impressed by the business-like manner in which he is welcomed by the salesman. It can truly be said that the Rexall Store is one of the leading business institutions in Clayton and a good criterion by which to judge the business establishments in the city.

In addition to handling a full line of drugs this store carries in stock a complete line of proprietary remedies. These remedies are carried in extensive lots and are sold under a guarantee by both the store and the manufacturer.

One of the most important features of the store is the excellent soda fountain and soft drink parlor in connection with the drug business. The fountain at the Rexall Store is the largest in the city and is in charge of an experienced dispenser at all times. All kinds of soft drinks and ice cream dishes are served in a careful and sanitary way. The fact that people in Clayton appreciate the efforts of the Rexall Store to give
